The Rubik's cube: a small, six-sided puzzle comprised of smaller cubes, each one capable of movement, yet all somehow held together. Through perseverance, one can make some sense out of the cube — the challenge it presents can be mastered.
In several ways, Scotch Plains-Fanwood High School is like the Rubik's cube. It, too, is "six-sided," being composed of four classes, the staff and the administration. Just as there is movement between the six sides of the cube, there is a good deal of mobility between the "six-sides" of the school. The different colors intermingle as one tries to solve the puzzle, and the individuals in the school mingle as they meet others. Freshmen through seniors, staff, and administration become as intermixed as the cube as they live, grow and learn together.
LISA MIELE
Cats In the Cradle ... Deck hockey, Auto shop ... Plans to go to diesel trade school.

ALLEN MILLER

CHRIS MILLER
On Fire ... Plans to attend college.

EMIDIO MOMACO

CATHERINE MOFFAT
"Cathy," Gymnastic Team ... Plans to attend Middlesex County College.

SUSAN MORTAN
"Sue," "Imagine" ... "You want it, you take it, you pay the price", "It's a jungle out there ... Sophomore Class Vice President, Assembly Committee, Prom Committee, FBLA, SGA, Key Club ... Plans to attend college.

MICHAEL MUNLEY
"MIKE," Astronomy Club assistant advisor and secretary of treasury.
When the puzzle is completed, each of the sides must end as a solid color, similarly we retain our separate identities when each school year is completed. The end of each successful high school year brings with it a feeling of accomplishment in the same way that mastering the Rubik’s cube does.
The teachers, staff, freshmen, sophomores, juniors, and seniors all become separate entities once more, just as the solving of the Rubik's cube moves each color back to its separate side. But even though the colors are separated, the Rubik's cube is still held together, just as a sense of school spirit and commonly shared memories will somehow always keep us together.
The Class of 1982 proudly dedicates its yearbook to a dedicated teacher and special friend, Mr. Alfred Formichella or "Mr. Form" as he is more popularly known.

Mr. Formichella has enjoyed a long and impressive record at the high school, having worked here since 1958. He has devoted his time and efforts not only as a physical education teacher but also as golf coach, soccer coach, and once even assistant football coach.

Though this year marks an end to "Mr. Form's" career at Scotch Plains-Fanwood High School, his warmth, humor and friendliness will endure in the fond memories of our high school years.

SENIORS
In 1980, the incoming students from Park and Terrill merged into the sophomore class of Scotch Plains-Fanwood High School. This blending created new friendships that would last throughout our high school careers. After patiently enduring Sophomore Orientation, the confusion evolved into organization with the election of Kathy Kutcha, Gina Dinizio and Susan Morton as our class officers. We then became “hardened” members of S.P.F.H.S. as it became all too clear that our lockers were combustible and as we dodged flying food in the cafeteria food fights. Talented members of our class designed an exciting float entitled “Annie”, which won the award for the best float in the Homecoming Parade. This was the year that our outstanding class athletes first demonstrated their talents at the high school level.

As Juniors we elected Ray Valasquez, Karyn Kmak, and Shari Somerville as our class officers. For the second year, artistic members of our class created a prize-winning float entitled “Snow White and the Seven Dwarfs” at Homecoming 1981. We attended the last Gong Show and a controversy arose because of allegedly unruly crowds. This controversy precipitated a sit-in and an assembly to resolve the tensions caused by the feelings of hostility in the school. The African Relief Drive was held, strongly supported by the Junior Class, and broadcast on major TV networks. The highlight of our junior year was not the traditional class prom, but instead we had a Junior Class Bar-b-que. Despite freezing conditions, many juniors and their guests dined on a bar-b-que meal, danced to music, and left contented. At the end of the year we were relieved to have completed the exhausting dreaded junior workload and looked forward to a somewhat easier senior year.

The Senior Class of 1982 began its third year in S.P.F.H.S. under the leadership of officers Michael Gordon, Jay Griffith and Fran Butler. Creative members of the class constructed our float, “Urban Cowboy”, which was recognized as the best Homecoming Float. Our football players donned new uniforms and performed with dedication. The Marching Band inspired pride by winning first place overall and a rating of Superior at Cedar Ridge and also by appearing on “Real People”. The Senior Class sponsored a picnic for the entire school and then sold M&M’s to “starving” S.P.F.H.S. These fundraisers defrayed the cost of our Senior Prom which was held at the Governor Morris Inn on June 5. The Senior girls revived the Senior-Sister program to help incoming students adjust to their new environment, and once again we supported the African Relief effort. Many students spent their first semester studying feverishly to achieve good grades for college applications and began to imagine life after S.P.F.H.S. Few students will forget the exchanging of Senior pictures or the writing of farewell messages in our yearbooks on the last days before graduation from Scotch Plains-Fanwood High School.
Mike Gordon — President; Fran Butler — Secretary; Jay Griffith — Vice-president.
DEENA ACKERMAN
"Suite: Judy Blue Eyes" . . . "And what is fiction? No more nor less than truth save that we may keep it to ourselves." . . . A.F.S., Co-editor of Culmen, painted the food shed . . . plans to attend college and grad school.

CARA AGRAN

44 students, from all reaches of the school, under the direction and guidance of general advisor, Mr. Lupo, came together to produce the 1981-82 Culmen yearbook. Also at the helm were co-editors-in-chief, Laurie Dunn and Deena Ackerman. Under the direction of Mr. Kurek and literary editor, Laura Werkheiser, the literary staff began its work early in the year, determining the general theme of the yearbook. It was then this staff's responsibility to handle all other written material as the year progressed. Members of the photography staff, headed by Patty Lindsey and Ross Margo, took all candid and class pictures. The layout staff next arranged the pictures and planned out the entire yearbook on paper. Both of these staffs looked to Mr. Lupo for advice. Anything from candy sales to bagel vending was put into action by the business staff, whose job it was to raise money for the Culmen. Business editors, Ariella Gastel and Janis Cavicchia, advised by Mr. Evans, were in charge of these fund raisers. And so, this invisible empire worked unnoticed throughout the school year for the one day when the Culmen was finally completed. But the people who worked hard to produce the yearbook can find satisfaction in knowing that its value will last long beyond this one day.
Counting deadlines, writing cutlines, putting final touches on ad copies, finally completing a dummy newspaper, and already planning the next edition — this was a normal Tuesday in the lives of thirty devoted Fanscotian staff members. These memories of preparing the S.P.F.M.S. bi-weekly newspaper remain most vivid in the minds of: co editors-in-chief, Randy Wussler and Scott Goldfinger; executive editor Joe Cerami; managing editors, Dave McFall and Sarah Baker; Sports editors, Bill Kraus and Rob Lavins; copy editor, Laurie MacFarlane; and circulation editors, Anna Doldouras and Loretta Sculley.

Sarah and Scott prepare the paper.
This past year was Fanscotian advisor Mrs. Oakes' second year on the paper. The paper was proud to introduce a regular political column this year, as well as to undertake several in-depth probes into specific subjects, such as censorship and teenage suicide. The Fanscotian's goal was, as always, to cover all groups and activities of the school, and to be the voice of the students.

Working on the Fanscotian gave its' staff members practical experience in writing, editing, and designing a newspaper, and almost as importantly, in bringing together this wide variety of students, often with conflicting opinions and ideas, to work together and produce our school newspaper.
French National Honor Society

The French National Honor Society, advised by Mrs. Krane, and led by president Tracy Flack, vice-president Hedy Yorgan, secretary Karyn Kmack, and treasurer Penni Freeman, participated in many exciting activities this year. In the fall, initiations were held, and the club earned money for later events through candy sales. Holiday activities included caroling at the Children's Specialized Hospital and a Fondue party. The French Club also took a trip to New York where they saw a French film and ate at a French restaurant. To conclude the year, a banquet was held to honor the events of this past year and the members' rewarding study of French culture.
SPANISH NATIONAL HONOR SOCIETY

Comprised of twenty-nine members, led by president, Shilpa Khagram, the Spanish National Honor Society has planned and executed various activities. The club traveled to New York City to see the Boston Flamenco Ballet accompanied by the advisor, Mrs. Britton. Christmas activities included giving presents to needy families and holding a Spanish Fiesta. The club served other Spanish students by tutoring them in various areas of Spanish. John Gould, the treasurer of the society, handled all finances and fundraisers. Heidi Kramps, the club’s secretary, recorded all activities. The society concluded its year by dining in a restaurant specializing in Spanish Cuisine.
GERMAN CLUB

After being recently disbanded, the German club is once again a part of SPFHS. The group’s advisor, Mrs. Gabriel, was very proud that the club has returned with such active members. The club was led by president, Brendan Quinn, vice-president, Bettina Gerlach, secretary, Peggy Wachterhauser, and treasurer, Murat Sor. Meetings were held twice a month to plan various activities such as a New York outing, and a Christmas party. In addition, they went to a German festival where German foods were served and German costumes were worn. The club members had a very rewarding year because of their success in learning much about the German culture through their many activities.
MUSE

"Muse" refers to a Greek goddess of literature and the arts and sciences. It is also the name of our school's literary and art magazine. The staff this year was an assemblage of nearly twenty people interested in art and creative writing. They devoted many Wednesday afternoons with Mr. Warshow, learning the fundamental of creative writing. They then used these principles to evaluate the works submitted by students. The group put forth much effort to produce the Muse. The special efforts of literary editor, Sarah Baker; assistant literary editors, Nandini Ray and Young Tom; art editor, Rebecca Firestone; assistant art editors, Janis Cavicchia and Pamela Jennings; business and public relation chairmen, Margaret Karalis and Edwina Wong; and advisor, Mr. Warshow, helped make the publication possible.

ITALIAN CLUB

Advised by Mrs. Kascur, the Italian Club's twenty members investigated Italian culture, and worked hard raising scholarship funds. The club gave its Italian-speaking members an opportunity to test their skill of the language in competitions. It also opened up many activities for all of its members, such as visiting shbrook nursing home, going to a Christmas party, and going on a trip to New York City.
RUSSIAN STUDY CLUB

For the past year, every other week a dedicated group of seven participants has met after school to learn Russian. These students have learned to read, write, and speak everyday Russian. This group is open to all students on all levels since it is based on independent study. Students exercising this opportunity receive one credit and the knowledge of an additional language.

SOPHOMORE ORIENTATION

Each year a group of students under the supervision of Mrs. Perka and Mrs. Jascot prepares junior high students for S.P.F.H.S. This year, the infl of students was twice as great, including not only sophomores but also freshmen for the first time in over twenty years.

Before school started, members of the committee organized schedules of incoming students and assigned Multi-purpose Room seating for their free period in the fall, they familiarized the underclassmen with the school through tours and presentations. In the spring the whole job began again as the S.O.C. once again started its cycle of producing well-adjusted students in S.P.F.H.S.
Discussing concerns on current events and major problems in the world was the purpose of this year's Political Affairs Club. Field trips, guest speakers and debates provided a variety of ways to exchange and learn new ideas on the subjects in question. Nuclear power was one of the biggest issues that the club covered.

Ms. Rich advised the officers, who were: President, Jonathon Freiman; Vice-President, Karen Fiedler; Secretary, Matthew Pachman; and Membership Chairman, Ariella Gastel. The officers met in the Social Studies Learning Resource Center each morning to work and plan together.

The club's major project involved their relief fund work for the Cambodian and African needy. They did everything from running a food fast at S.P.F.H.S. to asking for contributions door to door. Political Affairs Club members concern themselves with more than their school grades — they broaden the scope of their interest to world-wide problems.
DECA

DECA provides a background for students interested in pursuing an education in business management and marketing. One way of doing this is through Distributive Education classes. During the class period, students learned how marketing works. The majority of the students worked in the school store during their free periods. This helped them develop a feel of management and supervision.

The DECA club members also contributed their help to certain special activities, such as the food collection drive in which they helped Father Dorrity of St. Barts collect for the needy near Thanksgiving. They also visited the Ashbrook Nursing Home to wish these people happy birthdays. The year annually culminates in the D.E.C.A. banquet, a mammoth affair which combines students, faculty, administrators and local merchants to celebrate the successful conclusion of another school year.
The Future Business Leaders of America had a very successful year under the supervision of advisor, Miss DeSalvo and the president, Tami Lev. The club consisted of numerous students with interests and future plans in the various fields of business.

The club attended as well as participated in the following activities: Business Workshops, Conferences, Competitive events, and several fundraisers. The club also went on many trips which broadened their knowledge in the various fields of business. Among these were the Fall Leadership Conference, the Regional Conference at Rider College, the State Convention at Cherry Hill, and the National Convention in Indianapolis, Indiana. The club also had many winners in each of the competitions.

The F.B.L.A. had a new position introduced for the first time in the history of the club. The position was a state officer. Daniel Fritz was elected by the state of N.J. for the position.
REPERTORY THEATRE

Anyone who passed by the S.P.F.H.S. auditorium after school between the months of December and March heard sounds of singing and dancing from the Repertory Theatre. On two consecutive Friday nights in March, the talented members of Rep. Theatre performed the musical, "Bajour". The Rep. Theatre was run mainly by its four officers who were Lori Wecker, president; Dodi Lazarow, vice-president; Sharon Brown, secretary; and Lisa Vetere, treasurer.

The play, "Bajour", starred Dodi Lazarow, Kathy McCann, Lisa Vetere, Jonathon Freiman, John Hornung, Matthew Pachman, and Bart Sumner. The Repertory Theatre is entirely student run and only has faculty consultation.
Lisa Freiman and Stacey Reiss practice for the big Bajour.

"Just me and my shadow" Matt Pachman
The 1981-82 Drama club's presentation of "The Miracle Worker" on Friday, December 4th, met a standing ovation. Rehearsing every day after school for two or three months before the play was cast, Drama club members were working miracles of their own.

In the spotlight this year were Nikki Sevack as Helen Keller, a blind, deaf mute, Karen Friend, as Helen's teacher, and Jonathan Freiman and Dodi Lazarow as her parents. A new lighting system added even more magic to the Drama club's production.

Supervising and organizing with an enthusiastic Mr. Hooper were Drama club president, Bart Sumner, and vice-president, Betzi Rizzo. Debbie McCann was this year's secretary, and Terri Wecker was in charge of the treasury.
"The Miracle Worker", unlike previous productions, was performed in its entirety as an in-school field trip, which almost all students attended. The main advantage of this was performing for a full audience. It was financed by the Board of Education, as well as many other local clubs.

The Drama club put on still another play, "The Prisoner’s Second Avenue", of which they did four performances in the first week of April. The actors presented it in a small arena, rather than in the auditorium. This gave everyone involved experience in two different types of theatre performances, and enabled more club members to be cast into a production.
Advised by Mr. Mason, the seven officers of the SGA formed the executive board and met five days a week first period to plan the various activities that the SGA sponsor. The officers also attended the N.J. Association of Student Council Conferences. At the beginning of each year, a senator and an alternate were elected from each homeroom, and this senate meets approximately once a month.

The SGA coordinated fundraisers, and they did service projects promoting school spirit, such as Homecoming, Carnation Day, Blood Bank and the College Bowl as well as planning all school elections. The purpose of the SGA is to provide leadership in the areas that directly affect the student body and to act as the students' link to the administration. This year the SGA planned to revise the Constitution and planned another Student Leadership Conference for the fall of 1982.
The American Field Service is a world wide organization involving sixty countries. The main purpose of AFS is to induce international friendship and understanding. Foreign students have the opportunity to spend a year or a summer in the U.S. living with a family and attending school. A similar organization like AFS is the AA or Americans Abroad where an American student spends the summer or year abroad.

The Scotch Plains chapter of AFS has been one of the most active in N.J. Mrs. Thatcher, the advisor, was assisted this year by co-presidents Elizabeth George and Scott Goldfinger. The AFS held monthly meetings to discuss different students activities in foreign countries and also visited various restaurants, the garden state Arts Center for the Bavarian Festival, N.Y.C, and Williamsburg, VA.

In the spring, the Scotch Plains chapter of AFS sponsored the International Friendship Weekend where AFS students from surrounding areas assembled together to share their feelings and reactions. During the weekend a balloon launched took place. In April, AFS sponsored their annual chinese auction. It is one of the biggest fundraisers of the school for club trips and scholarship money. The members of the AFS are involved and very enthusiastic students. The Personality and the cooperation of all the members is why Mrs. Thatcher enjoys advising the club.
The Key Club is a service organization which helps our community. The Key Club sponsors many fundraisers and donates their profits to the needy. This year the Key Club was under the leadership of President Kelly Colangelo, Vice-President Betsy Boguszewski and Treasurer Dina DiFrancesco. The accomplishments of the Key Club are greatly admired and the Key Club should continue to be an outstanding group of students at S.P.F.H.S.
The Assembly Committee's function is to receive requests from clubs or groups who would like to present an assembly. Decisions are then made regarding which assemblies will be offered and scheduling of set assemblies. They are also responsible for seating arrangements for students at the assemblies. This year due to the increased enrollment at S.P.F.H.S. all first period classes were divided into three groups, and two sections were permitted to view each particular assembly. The assembly committee also leads the student body in the presentation of the colors and the flag salute.
BLACK STUDENT UNION

Advised by Ms. Horton, the Black Students Union met on a weekly basis to discuss black culture. These discussions were sparkled by guest speakers and films dealing with black culture. The members of the Union were able to raise enough money to go to New York City to the Schomberg library, a library of black literature, through fund raisers such as candy and bake sales, and the Annual Spring Dance.

During meetings members were made aware of problems faced by black students. They also acted as mediators by helping to solve these difficulties. Other accomplishments of the Union were a January bulletin board decorated to honor Martin Luther King's birthday and a February bulletin board to celebrate Black History Month.

ASTRONOMY CLUB

The Astronomy Club first began at Park Junior High School ten years ago, and came to the high school with several club members who wanted to continue studying the skies. They met once a week for observations that were both educational and pleasurable in nature. During some meetings, they photographed the sky. The Astronomy Club also gave a show to the local grammar schools to introduce these students to astronomy. This organization has a wide variety of activities for the purpose of discussing astronomical concepts.

C.I.T.

Under the direction of co-presidents Rick and Jeff Dolan, the members of C.I.T. worked extensively in the field of broadcasting. These students learned a brief overview of communications along with photography and T.V. They also handled the communications service for S.P.F.H.S. by distributing the television and projection equipment to teachers and aiding them in preparing it. Every morning at eight o'clock, C.I.T. brought the popular songs of today over the intercom system. Under the instruction of Mr. Maleski, C.I.T. installed a cable T.V. system that brought certain cable stations into the classroom. The center for Instructional Technology, formally known as communications class, allows each member to enjoy broadcasting while receiving one credit.

T.V. CREW

The TV Crew spent the majority of its time going over TV works. The Crew learned about communication and TV and played video tapes from the Media Center into any classroom which needed to view the tapes. This talented group of students cleans and operates equipment and is in charge of everything dealing with television at S.P.F.H.S.
W.S.P.F.

"... and that's all for this morning's announcements." What morning would seem right without the familiar voices of the W.S.P.F. radio staff? W.S.P.F. has been in existence for a decade, and this year its crew of announcers and technicians was advised by Mr. Tuttle. The 1981-82 W.S.P.F. staff members made this year unique by bringing us "music to go to our lockers by". After four years without music, the staff came up with a music dedication program, which enabled anyone to send in a request to have a song played and dedicated. And so, W.S.P.F. has become, and hopefully will remain, a tradition at S.P.F.H.S.

STAGE CREW

The stage crew was S.P.F.H.S.'s regular "Pirates of Penzance" this year, dangling from precarious heights when lights needed adjusting, coming to the rescue when pianos needed moving, and even decorating a Christmas tree for the Holiday Choral Concert stage!

Under the leadership of President Chris Squashie and Vice-President Doug Morrison, the ten stage-crew members worked with Mr. Hooper to handle sound equipment and lighting for all Repertory Theatre performances, Modern Dance Company shows, Drama Club plays, and the All School Production. The crew worked closely with Mr. Hooper to install a spectacular new lighting system of which they were very proud.

Our "Pirates" were always backstage, or following the show with a spotlight from above — never in the spotlight themselves, but no S.P.F.H.S. productions could have been put on without them.
MODERN DANCE

Dancing their way into our hearts, the Modern Dance company created many captivating routines this year. The Dance Company, advised by Miss Panko, consisted of thirty members who met each week to design new and imaginative routines to perform for S.P.F.H.S. as well as various middle and elementary schools. One of the highlights this year was a trip to New York to see the Joffre Ballet perform. Modern dance gave its members a way to fulfill their love of dancing and display on stage the results of their talents and hard work. Through the creativity and individuality of modern dance itself, each member combined her own dance steps to her chosen music. The modern dance company enables each member to have the opportunity to dance alone and also the opportunity to combine talents with others.

The string instruments are said to be one of the hardest types of instruments to play, but our S.P.F.H.S. Orchestra is full of people who have mastered them. Early Monday morning would find them turning violas, cellos, string basses, and violins with a brass and woodwind contingent of trumpets, saxophones, tubas, clarinets, oboes and flutes. They attended a performing clinic at Montclair State College.

Directed by Miss Clapper, the orchestra was able to showcase the result of its hard work and early morning rehearsals at our S.P.F.H.S. Holiday Concert, a spring concert, at performances for middle schools, and most of all, at its final performance for evaluation in Ocean City, Maryland.
CONCERT BAND

As in past years, the 1981-82 Concert Band was open to any student with musical ability. It was one of the largest music groups in the school, second only to Marching Band. Directed by Mr. Turturiello, the band’s main purpose this year was to enhance students’ musical abilities, as well as to provide an outlet for self-expression and instrumental talent.

SYMPHONIC BAND

Bridging the gap this year between Concert Band and Wind Ensemble, was the Symphonic Band. The members, who were chosen by an audition, were led by Mr. Turturiello. They met four times a week to improve their musical talents and to get in shape for concerts, competitions, and musical evaluations during the spring band trip.
In the spring of each year, auditions are held for musicians who wish to perform in the Wind Ensemble. This year, the Wind Ensemble consisted of thirty-seven members, the smallest it has ever been. This highly competitive group is geared towards playing difficult musical works, under the direction of Mr. Brown. The Wind Ensemble, along with several members of the symphonic band, combined to form a competition band which competed in Ocean City, Maryland on the band trip.

R. Forster, J. Murray and A. Scarinci practice for the next concert.
MOONGLOWERS

Carrying on a long-standing tradition of excellence this year was the Moonglowers, our school’s jazz band. It is one of the oldest and finest in the state. The talented members were selected in the beginning of the year by auditions. From that point on, trumpets, trombones, saxophones, and rhythm worked hard, committing themselves to many rehearsals led by Mr. Turturiello.

The Moonglowers, of course, played jazz. They covered the range of jazz music from the 1940’s to the 1980’s — from “Tuxedo Junction” to “Groovin’ Hard”. This year, their activities included performing for a PTA convention at a Playboy club, and partaking in a statewide music evaluation.
MARCHING BAND

In 1981-1982, Mr. Turturiello and Mr. Brown once again directed a prize-winning Raiders Marching Band. New recruits began practicing their marching in August. Then, in September, they were joined by the returning members, and the entire 200 piece band held numerous early morning practice sessions. In addition to representing S.P.F.H.S. at half-time shows at Raider football games, the band also attended competitions and parades. The group took first prize at the Cedar Ridge competition and appeared on "Real People" as well as marching in the Columbus Day and Edison parades and the Home News Festival. In the Spring the Marching Band went to Ocean City, MD and competed against bands from many other schools.

Mary Crawford plays the glockenspiel

HONOR GUARD

The Honor Guard of S.P.F.H.S. presents the American and the State Flag during the National Anthem prior to football games and also makes the first important impression on the spectators. The members of the Honor Guard learned how to march with the Marching Band and continued to practice under the direction of Mr. Turturiello in order to perfect their routines.
MARY JO GRASSO, this year’s flag squad captain, lead the squad through its many performances during the 1981-82 school year. The twenty-three members of the squad showed their talents at all football games and competitions with the marching band, and individually at Ocean City, Maryland. This group trained rigorously under the direction of their advisor, Carol Cecchine. Co-captain, Tracy Keats and Lieutenant, Courtney Schael aided their captains in demonstrating and teaching all routines. Candy sales were held during the year as the squad’s major fundraisers. The money from these funds was used to purchase new and lighter flags for the squad.
Color Guard

Ten members under the leadership of captains Helene Grossman and Judi Luce comprised the color guard squad. These girls trained rigorously at summer camp at Westchester State College, where they improved their rifle skills. The squad then continued their practices throughout the year. Their fundraisers included car washes and candy sales. Though this front squad performed with the Marching band at all the band's competitions, parades, and at football games, the squad performed independently at the All-School Production and on the band trip. Co-advised by Mrs. Cecchine and Miss Clapper, the color guard had a rewarding year as shown by their many accomplishments.

Lynda Comer marches proudly with the marching band.

TWIRLERS

The eleven members of the twirling squad trained diligently year round. They began with summer practices and a week of summer camp at Westchester State College, and continued practicing through the fall. In order to purchase flags for their routine, the squad held fundraisers like car washes, garage sales and candy sales.

The twirling squad, led by Captain Jeanette DuPuy, demonstrated its abilities in the All-School Production, at nursing homes, and at Homecoming, where the twirlers also participated in all of the Marching Band functions. This year's squad has consisted of several underclassmen, as well as the first freshman, and Co-captain, Suzanne Ruffa.
MASCOTS

Parading around as S.P.F.H.S.'s very own Indian Raiders, with everything from fringe to warpaint, no one yelled louder at football games than this year's mascots, Terry Messina, Abbe Malone, Nancy Monroe, and Sandy Morris. These mascots met twice a week during the football season to work out cheers and routines, some of which were done in conjunction with the cheerleaders, and some which were done on their own. No football game would have been complete without the endless energy and enthusiasm of the S.P.F.H.S. 1981-82 mascots.

PEP SQUAD

Members of the Pep Squad could be seen cheering at the boy's basketball game in their coordinated shirts. This lively group under the leadership of their captains. The Pep Squad is an active addition to Scotch Plains Fanwood High School, and at all of the games which they attended, they helped raise school spirit. Judging by the strong start that the Pep Squad has had, it will remain a glowing part of S.P.F.H.S.
LAS CANTADORAS

On a Tuesday or a Thursday morning before homeroom, anyone passing by the choral room would surely have heard strains of harmonies from behind the choral room doors. These musical strains would have been Las Cantadoras, our select women's choir, or Small-Mixed, our select soprano-alto-tenor-bass choir in song at one of its weekly early morning rehearsals.

Las Cantadoras was comprised of twenty-two girls this year. They performed their three and four-part numbers in both spring and Christmas concerts, as well as in concerts for other local organizations.

Eighteen students made up our 1981-82 Small-Mixed ensemble, which entertained for the Scotch Plains Women's Club and for both seasonal concerts as well.

Directing both ensembles was Mrs. Laurie Clapper, who was new to S.P.F.H.S. this year. She majored in voice, minored in piano, and gave this year her own trademark by adding special effects such as scenery, costumes, staging, and some choreographing to the traditional style of the choir.

SMALL-MIXED
CONCERT CHOIR

Directed by Miss Clapper, the Concert Choir combined their talents for various concerts, including the Christmas Concert and a Spring Choral Concert. The Concert Choir is open to any person who enjoys singing and wishes to improve on vocal techniques. The members of the Concert Choir rehearsed before school and also in various in-school field trips before concerts as well as assigned class time. The Concert Choir performed works other than typical choral literature, using techniques such as slides, lighted candles and costumes during the Christmas Concert.

FOOTBALL

Led by dedicated tri-captains, Jay Griffith, Pat McCauley, and Bruce Vuono, the Scotch Plains-Fanwood Raider Football team performed to the best of their ability through a trying season. After Coach Ascolese's summer and daily after school practices, the team began this season in sporting new Raider uniforms. Although the Raider season was not a winning one, fans were aware of the effort put forth by all team members. Playing five of the top twenty teams in the state faced a difficult and challenging season. Thanks are extended to Coach Ascolese for his instruction and leadership of the Raider Football team.

The Varsity Boys’ Soccer team had a successful season under the guidance of coach Tom Breznitsky. The team’s captains were Kevin Haggerty, Dave Read, and Ian Baxter. The team consisted of 26 members and their diligent efforts helped them to win twelve of the twenty-one games they played.

There were several highlights for the soccer team including T.V. coverage of the game against Kearny on TV 3. Kevin Haggerty made all-state and all county. Roger DuMont (MVP for defense) made all-county and Ian Baxter (MVP for offense) also made all-state and all-county. The team participated with enthusiasm and should be commended for their many fine performances.

Determination and unflagging spirit was the name of the game for the S.P.F.H.S. field hockey team. Although their team record was one win and thirteen losses, the team improved tremendously over the season; for instance in the beginning they lost to Summit by eight points but they played them later and only lost by two.

Co-captains, Ariella Gastel and Jane Walker were advised by Miss Morgan, a physical education teacher at McGinn School. At the Fall Sports Banquet in December, at which Jane Walker was named most valuable player, it was evident that this team made the meaning of team spirit show through.
1982 was a very successful year for the Scotch Plains-Fanwood High School Gymnastics team. Under the supervision of Miss Supel, who began coaching this year, the team finished the season with an outstanding 13-1 record. For the first time, the entire team qualified for sectionals and competed against representatives of 32 other schools. At the sectionals, Grace Arnow, Judi Dinizo and Karen Kravs performed exceptionally well by placing in various events. Captain Judi Dinizo qualified for state competition. The girls who worked an average of two and a half hours a day after school during the season, have certainly been rewarded for their diligence.
GIRL'S GYMNASTICS
This year, Girl's Soccer was formed under the direction of Coach Kesting. The girls began practicing in the fall and continued their hard work throughout the season. The dedication of the team was reflected by their outstanding record, and since there were no Seniors on the team, all of the members have the opportunity to return. Captain Connie Gentile earned MVP. Outstanding performances were made by Connie Gentile, Kelli Lies, Chris Mahon, and Susan Pena. The team played well together, and from this first successful year it is obvious that the Girl's Soccer Team should continue to be a source of pride for S.P.F.H.S.
Whether they were shaking pom-poms or doing cartwheels, the 1981-1982 Cheerleaders used seemingly endless energy in various routines. The Varsity Cheerleader advisor, Mr. Mason, encouraged the girls to practice and polish their routines until they were perfect. The cheerleaders performed in new uniforms, and bought extra equipment with money from the candy they sold. This year's Varsity Captains, Dorri Wilson and Hilary Thomas, and co-captain Ramona Dixon worked hard to create cheers which involved the fans. One way they accomplished this during the football season was leading cheers joined by the Marching Band and mascots. The efforts of the Cheerleaders of S.P.F.H.S. enable them to be an outstanding group of dedicated performers who add a lot of pep and school spirit.
This year's Cross Country team was comprised of six hard-working members. The team practiced every day after school under the direction of Coach Thomas. They ran road courses, at times up at Watchung Reservation, to get in shape. Their twelve dual meets consisted of running a 5,000 meter course, usually at Warinanco Park. All of the dedicated members improved tremendously during the season, though not enough to win any of their meets. Louis Nolan was the captain, and David Bowers earned MVP. Freshman Tom Clavins, whose amazing running enabled him to place in the Watchung Conference, Union County, and Kearny Invitational meets, was the real highlight of the year. The team members can all look back with pride at their own personal improvements and achievements.
The S.P.F.H.S. 1981 Girl's Tennis team had a fine season led by Coach Allen and team captains Karen Edwards and Jennifer Leib. Cara Agran, Donna Balinkie, Karen Edwards, Susan Grodnick, Jennifer Leib, and Wendy Sussman all had excellent performances in the Union County Tournament. This year's line-up placed Sheila Nies for 1st singles, Jennifer Leib for 2nd singles, Cara Agran for 3rd singles, Karen Edwards and Wendy Sussman for 1st doubles and Susan Grodnick and Donna Balinkie for 2nd doubles. The 1981 team consisted of many outstanding tennis players, and four girls were selected as MVP's: Sheila Nies, Cara Agran, Karen Edwards, and Jennifer Leib. The talent and hard work of all of the members was shown by the success of the Girl's Tennis team.
SPORTS
Pinning opponents and winning matches was common this year for our superb Wrestling Team. The team performed excellently and received high state rankings. The excitement created during the teams meets was evident as the Raider Wrestling team won 14 straight matches. The wrestling team worked diligently under the leadership of Coach Zanowicz.

There were many outstanding seniors who wrestled this year, including Bob Callaghan, Victor Daidone, Frank DeFellipo, Richard Ferretti, Michael Gordon, and John Macaluso. The Wrestling team, for the second year in a row, came in first in the Watchung Conference, and also placed second in both Union County and the Seton Hall Championships. The members of the Wrestling team should be proud of their talent and fine season.

1st in Watchung Conference
2nd in Union County
2nd at Seton Hall
The Bowling team participated in 39 matches and won 18 of them. Mr. Mason was the team’s coach, and seniors Lori Crawford and Tom Culp were the captains. The team qualified for both county and state meets and finished 8th in the Watchung Conference. Thomas Culp had the highest game in the Watchung Conference with the score of 278. Thomas Culp, David Geyer and Dave Dehart had the highest team averages: Culp with 177, Geyer with 177, and Dehart with 173. The varsity team had seven members who gave their best in every match.
This year the Boy's Basketball team was coached by Mr. Germain. It faced the toughest schedule in S.P.F.H.S. history. The team played in the Watchung Conference which traditionally has provided stiff competition, but in addition, this year eleven of the twenty-three games played were against teams ranked in the top ten teams in the state. This spring the team remained in training and planned to compete in the summer. A few of the outstanding players this year were Jason Green, Jeffrey Keats, Buck Gonzalez, and Dennis Hopkins. Much talent was exhibited by the juniors and sophomores who made up the bulk of the team. Mr. Germain is confident that their skills will improve next year.
Anyone lingering after school between the months of November and February may have noticed some S.P.F.H.S. students speeding down the hallways clad in gym shorts and T-shirts. What was this madness? Why, Winter Track, of course — a group of extremely dedicated runners coached by Mr. Spring. This year’s team was composed of 22 members with the largest number of female runners ever on the team. These athletes braved frigid temperatures during outside practices, and risked crashing into lockers and students during inside runs. The members committed themselves to six days of practice a week, and many continued running even after the season was over. John Towle and MVP, Tony Davis, were the co-captains this year. Although there were no dual meets because of the snow, the team did compete in several invitationalcs, and was ranked fifth in the county. One runner, Tony Davis, even went on to compete in the state finals in hurdling. The Winter Track Team was definitely rewarded for their efforts this year by having a truly fine season.
This was a transitional year for the Girl's Basketball Team. The Girl's Varsity team had a new Coach this year, Mr. Eng. The girls team picked up several new teams which caused their season to be more difficult. While the teams record was not outstanding, in no way does it reflect their hard efforts. Senior Delethia was the captain and Hope Nelson was team's high scorer. Each member of the team played well and helped the team to participate in the county tournament. High point scorers were: Hope Nelson with 26, Delethia Nehemiah and Sandy Hollinger both with 16, and Donna McGann with 12. Other team contributors were Anita Bynum and Kelly Lies.

  - N.Y. Islanders

- **NBA CHAMPIONSHIP**
  - Boston Celtics
DECK HOCKEY...
members of the student body faced 9 faculty members at a basketball game on February 26th. Both teams played efficiently as they dribbled, shot, scored, and entertained the fans. The game was close at times, yet the faculty emerged victoriously. Both of these hard-working teams deserve credit for their efforts.
As we reminisce about our days at S.P.F.H.S. we will remember our friends and accomplishments here. Our Friends shared many special times with us.
Some of these times were spent in accomplishing school-related goals.
Some of these accomplishments were: the sit-in which the student body planned and executed after the controversy which arose after the 1981 Gong Show, the student-run assembly which was planned to solve the controversy,

the German Club and the Pep Squad's success at S.P.F.H.S., the African Relief Drives and a successful transition into a four year high school.
We enjoyed spending our free time at parties, concerts, dances, movies, homecomings, sporting events and plays.
We went through certain fads in both our style of clothing and what we enjoyed doing. The "preppie" look became popular, and we got used to seeing alligators on our clothes.
Besides trying to solve the Rubik’s Cube we also tried to solve the missing link puzzle and to beat Pac-man.
Despite the good times we had outside of school, we were obligated to spend 180 days of the year in school. The courses we took prepared us for a number of careers and gave us a chance to learn about many of our strengths and weaknesses.
During the three years that we spent here we experienced various situations on our way to adulthood.
We met different types of people, joined groups and clubs that interested us, and each of us became even more unique individuals.
When our last year of school began we were excited about driving, becoming eighteen, and exploring a life outside of S.P.F.H.S.
By the end of the year we were ready to use these experiences here as guides for our next move onward.
After finals were over we leisurely signed yearbooks and made our last journeys through the familiar halls of S.P.F.H.S. We looked forward to the future and with a sense of regret made our days at S.P.F.H.S. only a part of our pasts.
PATRONS
Judi and Debbie, I'll miss you — Love and lots of Luck, Mrs. C.

Poukie — "You are the sunshine of my life." — M.D.

Honey Bunny — Me Too. D.D.

CHEESE — If You Can't Be With The One You Love, Love The One You're With — Love Always ROOTBEER

61 South Avenue

Fanwood, NJ
REMEMBER . . .

When Randy propositioned the piano
Jonathan’s affair with the chandelier
Why Sue giggled
“Name that Ass”
Rob’s “Endless Love”
Sarah’s alligator
“FEET”
Vest Day
Son of Simone and his Bad Company
When Andrea was “real concerned”
When Tom was “started up”
When Lori got the big “H”
When Margaret explained sex
“In Search of T.C.”
Picnics in February
When Joe threw up
The empties on Penny Pup’s porch
The USG local 112
Randy and the Little People
THE BOOGENS!!!
“HEAVY METAL”

REMEMBER??
Maybe we will and maybe we won’t!
