This year’s Winter Wonderland Semi- Formal was a great success. The gym was transformed into a gorgeous winter wonderland with balloons, snowflakes, lights, and great tunes. This provided the right atmosphere for people to dance the night away. The Semi- Formal would not have been possible had it not been for the help of all the class officers and the great students of SPFHS who donated their time, efforts, and abilities to achieve the final goal. It was a night to remember.

Dear David,

How quickly the time has flown. It was barely yesterday, at age 4, when Mom asked you to put on a jacket because it was winter. That day you turned and said, "You are not me so you don’t know how I feel." You then traipsed out as we were stunned. We knew you would be an independent thinker and have strong convictions. You are a wonderful, bright, competent and ethical young man who has made us so proud with your zest for life, vast array of talents and love for challenges, these are traits that will help you succeed throughout your life. You have been an incredible son and brother, and we marvel at your grace.

CONGRATULATIONS on your graduation. May this be just one of many joyous events in your life. Wear that beautiful smile and make sure you follow your dreams.

true friendships are forever!!! a friend is the person you can walk along sit with, talk about anything
that's on your mind and laugh about every funny thing that happens. A friend is someone who stands up for you and tells you exactly how they feel. Friendships keep the world going round and fill our hearts with joy and happiness being able to share our tears, our laughter, our sorrows, and our joys. Knowing what to say to many anything.

"Believe in yourself in the power you have to control your own life, day by day. Believe in the strength that you have deep inside, and your faith will help show you the way. Believe in tomorrow And what it will bring Let a hopeful heart carry you through For things will work out If you trust and believe There's no limit to what you can do"

It's So Hard to Say Goodbye to Yesterday
by Boyz II Men

How do I say goodbye to what we had?
The good times that made us laugh
Outweighed the bad.
I thought we'd get to see forever
But forever's gone away
It's so hard to say goodbye to yesterday

I don't know where this road
Is going to lead.
All I know is where we've been
And what we've been through
If we get to see tomorrow
I hope it's worth the wait
It's so hard to say goodbye to yesterday

And I'll take with me the memories
To be my sunshine after the rain
It's so hard to say goodbye to yesterday
And I'll take with me the memories
To be my sunshine after the rain
It's so hard to say goodbye to yesterday
Not to be taken from the room.
