COMMITTEE REPORTS

Building Committee – Project Update
Trustee Members: Ann Minski, Pat Plante

Library Building Project Updates

- Mayor Colleen Mahr gave a report on the competitive bids.
- Bids do not include a generator because of the high cost.
- The price of demolition, $80,000, was extracted from the contractor bids. Bids were opened in August and reviewed by Council last week.
- $7.2 million was appropriated for the project. The lowest bid had a fatal flaw and had to be rejected. The base bid was $8.141 million. The bid could not be awarded because the money that was appropriated to cover the cost will not cover the cost of the project. The bids are valid for 60 days, giving the Council time to decide how to proceed.
- Council has introduced a bond to raise the additional money, but that won’t be voted on until the next Council meeting.
The bid seems to show a discrepancy between what the builders assess as the cost for “general conditions” and what the architects estimated.

Going forward, the Council needs to decide how to proceed. (The Borough doesn’t carry a heavy debt load.)

- Option 1 - reject bids
- Option 2 - reject bids and try again to procure bids
- Option 3 - raise money to cover the difference.

What are other local libraries paying per square foot for their construction projects?

Pat Hoynes has arranged for trailers for at the train station. The trailers are currently in place in advance of the anticipated move date to the train station in October.

Dan will draft a PR release about the FML building closing, demolition, move to a temporary location, etc.

- Ken will edit.
- Danielle will provide design and graphics.

**Fundraising/Finance/Advocacy/PR Committee – Building Fund/Capital Campaign**

Trustee Members: Pat Plante, Jason Hagman, Danielle Morris

- Mayor Mahr asked for an update on fundraising.
- Committee members were not present - No updates at this time.
- Mayor Mahr will return to another meeting to hear the fundraising plan and work together.
- Danielle will create flyers and PR once the plan is established. She would like to see a six-figure fundraising plan for furniture, technology, and incidentals.
- Advocacy should include responses to negative comments regarding the need for a new library and related comments made on social media sites. Danielle can create an infographic with a QR code to distribute to the community.

**Personnel Committee –**

Trustee Members: Jane Frost-Guzzo, Jason Hagman, Ken Sommer

**Staffing**

- Dan informed us that one of the two new PT hires has resigned, leaving new hours unstaffed.

**LMxAC Membership**

- Transition to LMxAC still on track for November 2, 2022.
